The video games I developed

<https://jiovidev.itch.io/>

September 2025

On this web page of the Itch.io website there are some of the games I developed using Unity and C#.

Additional information

1. Self-taught video game developer with 4 years of experience in Unity and C#.
2. Advanced knowledge of Adobe programs: Photoshop, Illustrator, and Premiere Pro, which I've honed by managing various YouTube channels over the years.
3. In-depth knowledge of how to use a camera (ISO management, apertures, shutter speeds and frame rates).

I authorize the processing of my personal data pursuant to art. 13 of Legislative Decree no. 196 of 30 June 2003 and art. 13 of Regulation (EU) 2016/679.
